Essensa understands the unique needs of Neurology practices. We provide service to physicians of all specialties—including Asthma, OB/GYN, Allergy, Immunology, Infectious Disease, and practices that include Infusion Suites throughout the United States. Our portfolio contains an array of products and services designed for the specific needs of these groups.

We are committed to conducting our business with the highest degree of integrity and transparency. As an affiliate of Premier, one of the nation's largest acute care group purchasing organizations (GPOs), Essensa is able to leverage a total purchasing volume of \$41 billion to negotiate aggressive contract pricing and offer a portfolio of savings unmatched in today's marketplace. We are currently serving over 14,000 healthcare and non-healthcare members across the United States. There is **no fee to join!**
