

creating essential value

Essensa membership is absolutely **free**.

From hotels to recreational facilities, Essensa offers a food purchasing program that can help your facility drive down costs without sacrificing quality.

By taking advantage of our foodservice program with US Foods, one of the largest food distributors in the United States, you can see immediate time and cost savings on foodservice purchases. US Foods represents over \$20 billion in annual sales and serves over 250,000 customers nationwide through 60 strategically located distribution centers.

Join a multi-billion dollar purchasing powerhouse and count on savings throughout the supply chain.

National Distribution Program

Our relationship with US Foods ensures slim distribution costs and locked-in category mark-ups. There are savings incentives for contract utilization, drop size, prompt payment, and more.

Manufacturer Agreements

We negotiate discounted pricing with food manufacturers to lower your foodservice costs. Members can save with Committed Manufacturer Agreements (CMAs) covering in excess of 50,000 high-quality products.

Cost Management Tools and More

Our members have access to business tools that can increase efficiencies, transparency, and reduce operational costs. In addition, we offer training opportunities, continuing education, and regional and national networking.

Our portfolio has the broadest range of foodservice products, including sustainable, organic, and trans fat-free products:

- Center of the plate (beef, poultry, seafood, and pork)
- Dairy products
- Produce
- Beverages
- Dry groceries
- Frozen foods
- Paper & disposables
- Cleaning supplies & equipment
