

# TAKE A BITE OUT OF A GREENER BIG APPLE

creating essential value

Essensa membership is completely free.

Contact an Essensa Client Service Associate today by phone at (866) 430-5330, or email [info@essensa.org](mailto:info@essensa.org) for more information or to become a member.

As part of the city's commitment to sustainability, Essensa, a New-York based group purchasing organization (GPO) has expanded its portfolio to include a full offering of eco-friendly solutions that range from green cleaning supplies to energy-efficient builds.

## Janitorial/Sanitation

Our contracts with Procter & Gamble, Staples, HD Supply, and other leading eco-conscious companies offer a number of green solutions including

- Cleaning Equipment & Supplies
- Hand Soaps & Sanitizers
- Laundry Products, Services & Equipment
- Office Supplies
- Paper Products

## Foodservice Equipment & Supplies

Essensa offers New York City nonprofits disposable products made with renewable resources through our relationship with US Foods, a leading food-service distributor. These products are compostable, biodegradable, and petroleum-free. In addition to sustainable disposables, our agreement features a wide range of energy-efficient, EPA-certified equipment, including fryers, ice makers, refrigerators, freezers, and steam cookers.

## Construction & Facility

### Management and Maintenance

In addition to green products, which make it easy for you to save money while decreasing your environmental impact, Essensa can help reduce your utility bills, increase the efficiency of your facility, and lower maintenance costs. Our construction and facility management portfolio categories include

- Appliances
- Electrical
- Energy Efficiency Services
- HVAC
- Lighting
- Plumbing
- Renewable Energy Products

Join today and start saving on the eco-friendly goods and services you need.
